

The Burnt Offering

Leviticus 1.2-17

January 13th, 2019

Introduction

- Sin _____ us from God
- To be reconciled with God there needs to be _____ for sin

Explanation:

- Atonement is made through _____
 - Substitutionary atonement / propitiation for sin; a ransom needs to be paid
 - The purpose of the sacrifice is to _____ God
- The sacrifice must meet certain _____
 - It needs to be _____ to the person making the offering
 - It must be without blemish or defect
- It needs to be offered in _____
 - The person who owns the animal must be _____ in the sacrifice
 - The rite must never become rote

Implications:

1. Sin has _____
 - a. God hates sin
 - b. God gets mad
2. God has _____
 - a. God wants us to be invested in the relationship
 - b. God is holy

3. Faith is manifest through _____
 - a. A relationship with God requires conscientious participation
 - b. Sincerity and humility are foundations for trust and obedience

Invitation:

1. Repent and _____
2. Live a life _____ of the calling you have received
3. _____ pursue God all the days of your life

Conclusion:

- Grace comes through _____
- Faith is demonstrated though _____
- Actions _____ understanding
- We understand that we are sinners and sin alienates us from God
- We repent of our sins because we believe that sin grieves the Holy Spirit
- We believe that Jesus is the perfect and final substitutionary, atoning sacrifice
- God _____ his grace upon us when we come to him in faith
