Pray for our Missionaries

Dennis & Nancy Palmer

NAB Missionaries in Cameroon

www.nabonmission.org/missionaries/dennis-nancy-palmer

Drs. Dennis and Nancy Palmer have been working at Mbingo Baptist Hospital in northern Cameroon for the past sixteen years, having previously served for nearly a decade at Banso Baptist Hospital and in other capacities. They currently work in hospital development, which includes a number of larger projects, the most recent of which was the completion of the hydroelectric dam to power Mbingo hospital. Pray: Pray for God to bless them with good health and safety in the midst of the continuing COVID pandemic and ongoing civil unrest in Cameroon.

Church Library

A team of researchers at Stanford University discovered that reading results in a dramatic and unexpected increase in blood flow to multiple regions of the brain. The MRI images indicate that literary reading provides a truly valuable exercise of people's brains. One more good reason to check out our library!
