

Church Life

Church Library

Refining Fire by Tracie Peterson tells of the propriety of preparing women to become wives in the late 1890's. The Madison Bridal School is an establishment that tries to do just that. A romance with a twist and a fun read. ~ Church Librarian, Barb

Taylor College & Seminary

<https://kairos.edu/legacy-partners/taylor-seminary/>

Taylor is rooted in a number of "Christian training institutes" that were widely dispersed across the western prairies. These institutes appealed to the many rural young people who were idle during the long prairie winters and provided trained lay leadership for the local churches, as well as opportunities for young people to utilize their time wisely. The school began with the financial support of and volunteer labour from many individuals within the Northern Conference Churches. Dr. and Mrs. E. P. Wahl also contributed \$2,000 received from an insurance policy when their son was killed in a car accident. To learn more about the history of Taylor please visit the website above.
