

Harvest Celebration

Children and Families are invited to come celebrate the Fall season Oct. 24th

We will be having a time of fun and fellowship! Here are the details:

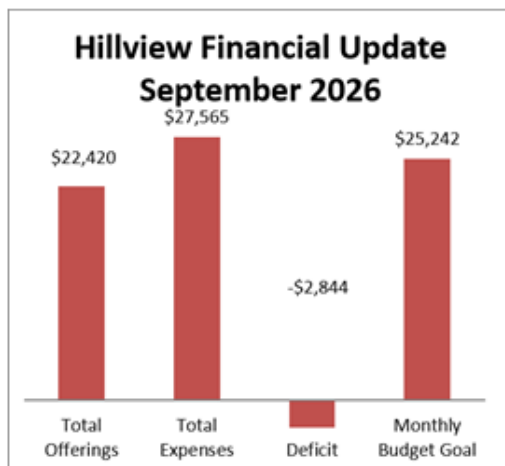

When: Saturday, Oct. 24th 2:00-4:00 pm)

Where: Downstairs in the Fellowship Hall

What to Bring: a pumpkin and a carving knife. Children will need an adult to carve.

What's Going On: Faith-themed night of games, refreshments, crafts, and pumpkin carving! Pumpkin painting option available for younger children, and best painted and best carved pumpkins get a prize.

It is usual for the church to have a deficit in September because of the start-up of fall programs. We are expecting a special fundraising program for the restoration of the lower

parking lot to begin in the near future. Please note that any monies for the parking lot should be over and above your regular tithes and offerings to avoid an operating deficit.
