NAB Missionary of the Week

Gary Clatterbuck
NAB Missionary
Coordinating Russia and Ukraine Ministries

nabonmission.org/missionaries/gary-clatterbuck

Gary is the field coordinator working with Moscow Theological Seminary in Russia and Odesa Seminary in Ukraine. He helps provide consultants, upon request, to teach classes for both seminaries, and also teaches on occasion. A 2016 Russian law has created tighter restrictions on missionaries and evangelism, and there has also been pressure placed on evangelical schools. Even so, Gary continues to connect individuals from the United States and Canada with ways they can assist MTS. (Due to the precarious nature of the situation because of the 2016 law, please don't share this anywhere online, including social media. **Pray:** Pray for stable peace between Russia and Ukraine. Pray also for Odesa Seminary as they continue to find ways to serve students and their community in the midst of this conflict.

HBC Supported Ministry of the Week

Taylor College & Seminary

<https://kairos.edu/legacy-partners/taylor-seminary/>

Taylor is rooted in a number of "Christian training institutes" that were widely dispersed across the western prairies. These institutes appealed to the many rural young people who were idle during the long prairie winters and provided trained lay leadership for the local churches, as well as opportunities for young people to utilize their time wisely. The school began with the financial support of and volunteer labour from many individuals within the Northern Conference Churches. Dr. and Mrs. E. P. Wahl also contributed \$2,000 received from an insurance policy when their son was killed in a car accident. To learn more about the history of Taylor please visit the website above.
