Church Library

We have several books by Barbara Johnson in our Inspirational section of the library. I have just read Splashes of Joy (in the Cesspools of Life), and found her courage and humour in the face of unspeakable tragedy to be both uplifting and encouraging.

HBC Supported Ministry of the Week

Taylor College & Seminary

<https://kairos.edu/legacy-partners/taylor-seminary/>

Taylor is rooted in a number of "Christian training institutes" that were widely dispersed across the western prairies. These institutes appealed to the many rural young people who were idle during the long prairie winters and provided trained lay leadership for the local churches, as well as opportunities for young people to utilize their time wisely. The school began with the financial support of and volunteer labour from many individuals within the Northern Conference Churches. Dr. and Mrs. E. P. Wahl also contributed \$2,000 received from an insurance policy when their son was killed in a car accident. To learn more about the history of Taylor please visit the website above.

Prayer Time

 Thursdays at 10am in the Conference Room. All are welcome.

SHARE Communities - Heartland Community Church in Medina, Ohio

SHARE Communities is the newest multiplication effort out of Heartland Community Church in Medina, Ohio. They launched their first SEND Huddle earlier this year to develop and deploy future SHARE Community leaders that will launch their groups in the fall. They are also investigating possible partnerships with local organizations in their context. **Pray:** Pray for the leaders in the SEND Huddle to give themselves fully to the process of launching the efforts God has put on their hearts to expand his Kingdom tangibly in Northeast Ohio. Also pray for discernment over which local organizations they should link arms with.
