

Church Life

Church Library

All Through the Night by Grace Livingston-Hill is a story of how a young woman's life changes dramatically when her Grandmother dies. She has to face the bitterness and greed of relatives trying to claim her inheritance, all the while coping with the sorrow that her fiancé is off to war. ~ Church Librarian, Barb

Kingdom Community grew out of this desire to welcome into God's Kingdom all those who are standing on the outside. **Pray:** Pray for the one-year residency program they are working on to get college-aged students fully immersed in the missional-formatinal way of life, as well as earn academic credits through Kairos University.

Taylor College & Seminary
[https://kairos.edu/legacy-
partners/taylor-seminary/](https://kairos.edu/legacy-partners/taylor-seminary/)

Taylor is rooted in a number of "Christian training institutes" that were widely dispersed across the western prairies. These institutes appealed to the many rural young people who were idle during the long prairie winters and provided trained lay leadership for the local churches, as well as opportunities for young people to utilize their time wisely. The school began with the financial support of and volunteer labour from many individuals within the Northern Conference Churches. Dr. and Mrs. E. P. Wahl also contributed \$2,000 received from an insurance policy when their son was killed in a car accident. To learn more about the history of Taylor please visit the website above.
