

Church Life

Church Library

Lee Strobel has written several books in our library's inspirational section. I have just added a new one entitled The Case for Faith. Lee Strobel was an atheist who searched to either prove or disprove God's existence. His books are very convincing and reaffirm that our God lives. - Church Librarian, Barb

HBC Supported Ministry of the Week

Taylor College & Seminary
<https://kairos.edu/legacy-partners/taylor-seminary/>

Taylor is rooted in a number of "Christian training institutes" that were widely dispersed across the western prairies. These institutes appealed to the many rural young people who were idle during the long prairie winters and provided trained lay leadership for the local churches, as well as opportunities for young people to utilize their time wisely. The school began with the financial support of and volunteer labour from many individuals within the Northern Conference Churches. Dr. and Mrs. E. P. Wahl also contributed \$2,000 received from an insurance policy when their son was killed in a car accident. To learn more about the history of Taylor please visit the website above.

Taber Kitchener was founded in 1991 by Pastor Felipe Rodríguez, and when he retired in 2021, Mario took over as lead pastor of this church he grew up in. They are a Spanish-speaking church continuing to work toward revitalizing their ministry and taking on the vision from God to start an English ministry in their community.

Pray: Pray for their ongoing revitalization efforts as they seek to be Jesus in their community, regardless of the language people speak.
